

# Indiana Department of Education

SUPPORTING STUDENT SUCCESS

## MEMORANDUM

**TO:** Superintendents and Principals

**FROM:** Sue Foxx, Alternative Education Specialist  
Division of College and Career Preparation

**DATE:** December 11, 2009

**SUBJECT:** Credit flexibility survey

The Indiana Department of Education is working to help school administrators identify and share policies that have been developed addressing the new credit flexibility waiver. We are also trying to identify the content areas most affected, the types of experiences being offered and how proficiency is being demonstrated. With this information we hope to develop technical assistance that will help schools provide multiple pathways for student success. The survey will take five minutes or less and is anonymous. We will share our findings once the results have been tabulated.

To access the credit flexibility survey go to <http://www.surveymonkey.com/s/BL6MQHD>. The site will be open from December 11, 2009 to January 15, 2010 for your responses. Thank you in advance for your cooperation.
